## Reforming the payment/registration system

One bank account – less fees, less administration

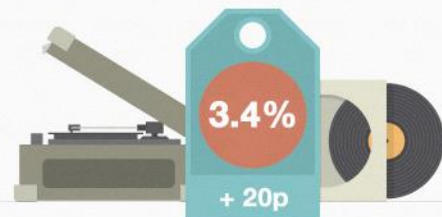

If time is money, you're about to make more than you thought.

When you use PayPal to sell something online, you can accept secure payments from anyone with just a few clicks.

### Simple, transparent fees

With our flat transaction fee of 3.4% + 20p, you won't be surprised by hidden costs. We also offer discounted rates as low as 1.4% to businesses who sell a lot so the more you sell, the less you pay. When you sell internationally, there are additional fees for currency conversion which vary depending on the currency you're receiving.

  - Iceland treasurer -> Karl Skirnisson continues

# SBSP GA Agenda 11th September 2013

i) Election of two Auditors.

j) Establishment of annual fees for the next period.

Proposal 25 EUR.

k) Establishment of the place and time for the next General Assembly.

Suggestion: SBSP6, Sweden, 2015.

l) Other matters, which have been sent to the Board at least six weeks prior to the General Assembly:

Announcement of CSBSP6: Sweden. (Eva Osterman Lind)

EMOP2016:

SBSP has the honor of being the hosting society for EMOPXII in Turku, Finland, July 2016. The organizing committee calls for interested volunteers to contact the head organizer Antti Oksanen. (Pikka Jokelainen & Brian Lassen)

Travel grants given for students to attend SBSP-conferences by SBSP: the board recommends the given grants would be paid prior to the conference rather than as a reimbursement. (Brian Lassen)

Benefits of honorary membership: the board recommends that honorary members will be allowed to attend SBSP conferences either free or at a lower (student) registration fee. The society will compensate the difference in registration costs. (Brian Lassen)

Proposal of allowing company memberships of SBSP. (Jakob Skov)

# SBSP GA Agenda 11th September 2013

Proposal of reforming the membership payment system.

The board has discussed the following changes for approval to reduce management of memberships and making payment more flexible:

1. Collecting SBSP finances to one account to reduce management expenses;
2. online payment system integrated into website (eBay or PayPal) allowing easy payment for a small percentage of the transfer;
3. possibility for members to choose to pay for 2 years, 4 years, 10 years, or a lifetime membership (cost?).

(Brian Lassen)

Changing of Lithuanian bank account name to „Scandinavian-Baltic Society for Parasitology“: The Lithuanian bank requires the members present at the GA to approve this change according to local legislation. If the previous point is accepted this point is likely no longer needed. (Asta Križanauskienė)

Suggestion for change in paragraph 3 of statutes to include criteria for membership as: applied with interest in parasitology and paid fee; removing the acceptance requirement by the board. (Pikka Jokelainen)

Honorary members election: the board propose election of new honorary members of the society. Tor Bakke (Norway), Karl Skirnisson (Iceland), and Svetlana Bondarenko (Lithuania) (Brian Lassen)
